INDIANA UTILITY
REGULATORY COMMISSION

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

On May 15, 2003, Citizens Gas made a compliance filing with the Commission. On May 29, 2003, the Citizens Industrial Group filed an objection to the compliance filing. On August 7, 2003, an attorney's conference was held to discuss status of negotiations and to set a procedural schedule. Pursuant to an agreement of the parties, the presiding officers now find that said procedural schedule should be set as follows:

1. **Intervenor's Prefiling Date.** The Citizens Industrial Group, ("Intervenor") should prefile with the Commission its evidence regarding its objection on or before October 3, 2003. Copies of same should be served upon all parties of record.

2. **Public's and Citizens Gas' Prefiling Date.** Public and Citizens Gas should prefile with the Commission the prepared testimony and exhibits constituting their respective cases-in-chief on or before October 31, 2003. Copies of same should be served upon all parties of record.

3. **Citizen's Industrial Group Rebuttal Prefiling.** The Industrial Group should prefile with the Commission its prepared rebuttal testimony on or before November 21, 2003. Copies of same should be served upon all parties of record.

4. **Evidentiary Hearing.** The cases-in-chief of the Industrial Group, Citizens Gas and Public should be presented in an evidentiary hearing to commence at 9:30 a.m. on December 4, 2003 in Room E-306 of the Indiana Government Center South, Indianapolis, Indiana. At such time, the direct evidence of the respective parties should be presented and their respective witnesses examined.

5. **Discovery.** Discovery is available for all parties and should be conducted on an informal basis. Any response or objection to a discovery request should be made within ten (10) business days of the receipt of such request. Any objection not made within ten (10) business days will be deemed waived. Following the submission of rebuttal testimony, discovery shall be responded to within five (5) business days.

6. **Number of Copies/Corrections.** With the exception of work papers, the parties should file with the Commission an original and thirteen (13) copies of all prefiled testimony and exhibits. Any corrections to prefiled testimony should be made in writing as soon as possible after discovery of the need to make such corrections. Although the Commission's rules require that original copies be one-sided, it is the Commission's preference that duplicate copies use both sides of the paper.

IT IS SO ORDERED.
